AUTHOR DECLARATION AND PUBLICATION AGREEMENT

I/We, the author(s) of the manuscript identified above, hereby confirm that the work submitted to the **Researchers Journal of Science and Technology (REJOST)** is original and has been prepared in accordance with accepted standards of scholarly research and publication.

By signing this agreement, I/we declare and confirm that:

1. The manuscript is original.

The work presented is the original research, analysis, review, or scholarly contribution of the author(s), except where the contributions of other researchers or sources have been properly acknowledged and cited.

2. The manuscript has not been published elsewhere.

The manuscript, in whole or in substantial part, has not previously been published and is not currently under consideration for publication by another journal or publisher.

3. All authors have approved the manuscript.

Every listed author has made a meaningful contribution to the work, has approved the final version of the manuscript, and agrees to its submission and possible publication in REJOST.

4. **The author(s) have the right to publish the work.**

The author(s) confirm that they have obtained the necessary permissions for any copyrighted tables, figures, photographs, instruments, datasets, or other materials reproduced in the manuscript.

5. **The author(s) retain copyright ownership.**

Copyright in the manuscript remains with the author(s), subject to the publication rights granted to the Researchers Journal of Science and Technology.

6. **Publication rights are granted to REJOST.**

If the manuscript is accepted for publication, I/we grant the **Researchers Journal of Science and Technology**, published by the **Faculty of Physical Sciences, Akwa Ibom State University**, a non-exclusive right to publish, reproduce, distribute, archive, display, and make the article available in print and electronic formats, including through the journal website and recognised scholarly repositories.

7. **Open-access publication is accepted.**

I/We understand and agree that the published article may be made available to readers in accordance with the journal's applicable open-access and copyright policy.

8. **The author(s) retain the right to reuse their work.**

The author(s) may use the published work, or substantial parts of it, for legitimate academic and scholarly purposes, including teaching, research, conference presentations, theses, dissertations, institutional repositories, and future scholarly works, provided that the original publication in REJOST is properly acknowledged.

9. **Responsibility for the contents of the manuscript remains with the author(s).**

The author(s) accept responsibility for the accuracy, originality, ethical integrity, and scholarly content of the manuscript. Any legal or ethical claims arising from the contents of the work shall be addressed in accordance with applicable law and institutional policies.

10. **The corresponding author is authorised to sign this agreement.**

Where there is more than one author, the corresponding author confirms that all co-authors have reviewed and approved this agreement and have authorised its execution on their behalf.

11. **Corrections and retractions.**

I/We understand that, where necessary, the journal may issue corrections, expressions of concern, or retractions in accordance with accepted publication-ethics principles and the journal's editorial policies.

12. **Agreement upon acceptance.**

This agreement becomes effective when the manuscript is accepted for publication by the Researchers Journal of Science and Technology.

AUTHOR(S)' CONFIRMATION

I/We have read and understood the terms of this Copyright and Publication Agreement. I/We confirm that the information provided is accurate and that I/we agree to the publication of the manuscript under the terms stated above.
